

National Craft Assessment and Certification Program S P E C I F I C A T I O N S

FOREMAN (FORE46)

Released June 2009

Overview

This written assessment is a two-hour closed-book examination. You will be permitted to use a basic function, non-printing calculator during the examination. The assessment center will provide any necessary pencils. No extra papers, books, notes or study material are allowed in the testing area.

Assessment Development

All questions on each assessment have been developed and approved by subject matter experts from the respective craft. Assessment development and administration is under the direction of ProvTM, NCCER's testing partner.

Credentials

NCCER will send appropriate credentials (certificate, wallet card and official transcript) to the assessment center upon successful completion of the written assessment.

Training Prescription Reports

Each candidate will have access to individual results of the written assessment from Prov's website at www.provexam.com. This training prescription will include the overall score and results by topic area.

National Registry

Assessment results will be maintained in NCCER's National Registry and become a part of each candidate's training records. These records are stored and become a portable record of the candidate's training and assessment achievements.

Focus Statement

The construction foreman interprets management goals, objectives, and policies; communicate these goals to the crew, and translates them into an action plan. The foreman motivates and leads diverse groups of people and has knowledge in the trade area they're supervising. The foreman verifies that tools and equipment are available, ensures a safe work environment, plans work, and adapts to changes in the schedule as necessary.
