

# National Craft Assessment and Certification Program S P E C I F I C A T I O N S

## Mechanical Pipeline Technician (MPT\_03)

### Overview:

This written assessment is a two (2) hour closed book examination. You will be permitted to use a basic function, non-printing calculator during the examination. The Assessment Center will provide any necessary pencils. No extra papers, books, notes or study material are allowed in the testing area. The Assessment Center will provide you a list of any additional material that is approved for reference during the assessment session.

### Study Material:

All NCCER Written Assessments are referenced to NCCER Learning Series modules. You may order modules from Pearson (800.922.0579) or [www.nccer.org](http://www.nccer.org).

### Assessment Development:

All questions on each Assessment have been developed and approved by Subject Matter Experts from the respective Craft. Assessment development and administration is under the direction of PSI, a test development company with over 50 years of experience.

### Credentials

NCCER will send appropriate Credentials; Certificate, Wallet Card and Official Transcript, to the Assessment Center upon successful completion of the Written Assessment.

### Training Prescription Reports:

Each Candidate will have access to individual results of the written assessment from NCCER's web site. This Training Prescription will report results by each Topic Area covered by the assessment as well as the overall score.

### National Registry:

Assessment results will be maintained in NCCER's National Registry and become a part of your Training records. These records are stored and become a portable record of your Training and Assessment achievements.
